ASAPROSAR VOLUNTEER QUESTIONNAIRE

Please answer the following questions, citing personal experiences that relate to your answers. A separate sheet of paper may be used for your answers, but please note the question number as a reference.

1. For what reasons are you applying to be a volunteer with ASAPROSAR? What do you hope to accomplish through your service?

2. If you have worked or traveled, what lessons about being in different cultures will you apply to your group assignment?

3. Describe a situation you faced in the past that was highly sensitive. What skills did you utilize to help yourself and others deal with the situation?

4. ASAPROSAR hopes to foster an atmosphere of group unity and cohesiveness that will strengthen the ability of the group to live and work together. What personal characteristics helped in past experiences where a group effort was essential?
5. In some cases, group members may voluntarily assemble for reflection and discussion. How do you think this opportunity will enhance your experience?

6. What apprehensions do you have about traveling with a group to El Salvador and/or ASAPROSAR?

7. What else would you like us to know about you, your expectations, concerns or goals for this volunteer experience?
